

ASPPB E.Passport QUICK GUIDE

*Read the ASPPB Mobility Program Policies and Procedures for a comprehensive look at the Mobility Program and requirements [here](#). Note: Requirements are subject to change and are determined by the Mobility Committee.

The E. Passport facilitates the process for licensed psychologists to practice telepsychology across state lines, in states that participate in PSYPACT*, without obtaining additional licenses.

*In order to practice telepsychology under the authority of PSYPACT, the PSYPACT Commission requires that a psychologist obtains an Authority to Practice Interjurisdictional Telepsychology (APIT). The E.Passport is required in order to obtain an APIT from the PSYPACT Commission.
